RIVER AND STEAMBOAT MATTERS.

LATER FROM TEXAS.

(Special Correspondence of the Louisville Journal.)

LEAVENWORTH, August 3, 1858.

from the Evening Bullstin. AKEN FROM MR. FIELD'S LOG-BOOK OF THE CABLE EXPEDITION. TRINITY BAY, Aug. 7.

THINITY BAY, Aug. 7.

Mr. Field's log states that the Ningara arrived at the rendezvous on the 23d, the Valorous on the 25th, the Gorgon on the 27th, and the Agamemnon on the 28th. The splice was made on the afternoon of the 28th. At 7.45 in the evening signals from the Agamemnon ceased. The electricians reported a want of continuity in the cable, but insulation was perfect. They kept on paying out, and at 11:38 the Niagara received perfect signals from the Agamemnon. The river was still rising alouly last evening. The

Galveston papers to the 21 inst. and others from

The Civilian of the 21 has the following:

Cuton picking appears to be prettly generally improved. The B-enham Enquirer says that It. B.

Cutry, near that place, had picked on his plantaiorouse day last week, by two near, 234 pounds of toto.

The Houston Telegraph says that business contin
The Houston Telegraph says that business contin-The Houston Telegraph says that business contin-

The Houston Telegraph have that business continues limited. The arrivals of cotton hat week were only 166 balos. The receipts of the season were 61 870 balos. The receipts of the season were 61 870 balos.

The News says the ertire capital 5120,000) of the it diveston Gas Company has been substribed, and the company has been substribed. The limit is \$1,005. The city of Houston then manabered 2,336 people, while now there are 4,815. A meeting was held in Dallas on the 17th dit, at which people from a visit to like Lumpasan Springs, that a descent was made inpos for organizing an Agricultural Society were taken.

The Belond Independent of the 24th uit, easy. We learn from Col J. H. Brown, who has just runned from a visit to like Lumpasan Springs, that a descent was made inpos Sun Saba hast week by the houston the ends of the transmission of the President's first measures to house the limit of the control of the company of the control of the company of the control of the people from the erops in all parts of the Safe, with the exception of some little complaint of dry weather from the engage that the country, te made public from Newfoundhad leaves of the state of the substribed preparation.

The House of the Safe of Traveller states that on Friday the Superintendent of the Boston fire alarm telegraph rung all the bella of Boston connected with the fire alarm, from the

At the meeting of the city council this evening, a message was received from the Mayor, recommending that the hospitalities of the city be extended to all connected with the larging of the reeast telegraph, and that the citizens he requested to illuminate, and that all the public buildings he illuminated on the day to be fixed for the public celebration of the great event. The council adopted a series of resolutions, congratulating the public and tendering the thanks and offering a municipal dinaer to all concerned in the entryprise, and providing for the illumination of the City Hall, and requesting Mr. Cyrus W. Field us if the his portrait to be placed in the tovernor's rroom at the livy Hall. NEW YORK, Aug. 9.

St. Johns, N. F., Aug. 10.
The following dispatch has just been received rom Trinity Hay of the 19th. Everything in conception with the A Intic Telegraph is progressing attifactorily. Signed. CVRUS W. FIELD.

Washington, Aug. 10.
The Secretary of the Navy left this morning for Connecticut, and will be about about three weeks, Before he returns be will impect the nevy yards Chief clera Welsh is acting Secretary. From present indications it is supposed at the Navy Department that the Paraguay expedition will start by the 1st of October. St. Lorrs, Aug. 10.
Leavenworth, Ang. 5, per U. S. Express to Boonville.—The Utah Peace Commissioners, Powell and

ville —The Utah Peace Commissioners, Powell and McCuiloch, arrived here to day and proceeded to the East immediately. Mr. Bridger, the original settler of Fort Bridger, accompanies the Commis-sioners. (Iver 2,000 of Russell, Majors, & Waddle's wagons will soon return to its old channels.

KENTUCKY ELECTION.

Miss Emily J. Hount, he interconstruction of the Yol agara:

Note the Executive Committee of Newfoundland, have great and sincere pleasure in offering you our congratulations on the success of the grand project of laying the Atlantic Telegraph Cable. Intimutely acquainted, as we have user, with the eaterpiece which has distinguished you from the commencement of the great work of telegraphic consection between the Old and New World, and feeling that under Providence this triumph is mainly due to your well directed and indonitable exertions, we desire to express to you our high appreciation of your services to this cause of the world's progress and our sympathy in those feelings inseparable from the profound result. We recognise in this arbievement the creation of new bonds of commercial and social union between the peop's of the two great nations thus marvellously connected, and we are gratified to remember the aid contributed toward this most important object by the colony of Newfoundiand and the privileges conferred npon the company you represent.

We supresely trust that the best expectations of the world's progression of the two great nations thus marvellously connected, and we are supported to the colony of Newfoundiand and the privileges conferred npon the company you represent.

We supresely trust that the best expectations of the world's progression of the world's progression that the case could have a present the creation of new bonds of commercial and the privileges conferred npon the company you represent.

We supreselve the trust of the 'gall and to the rich the care of the world's progression to the proper of the two great nations thus marvellously connected, and we are supported to the proper of the two great nations that the proper of the two great nations that the proper of the two great nations are provided to the proper of the two great nations that the provided the provided that the provided the provided to the provided that the care of the world's progression to the world's progression to the
